

## Taktec® C Range Self-Adhesive Carpet Film

### Features

Taktec® is a self adhesive film designed to protect carpets from dust, spillages and foot traffic. Ideal for refurbishment and maintenance contracts, and work carried out in occupied offices. Ideal for protecting carpeted stairs without creating a trip hazard. Waterproof and durable, only for use on carpets.

### Benefits

Taktec® can be laid in seconds with no taping required, and leaves no residue or stains when peeled up at the end of the job. Also available in an embossed grade which offers extra grip and provides an anti-slip surface

### Supply

Taktec® Carpet Protection film is available in rolls delivered direct to site or yard from our bulk distribution centre.
